K. S. KODANDARAMA AIYAR,
Chief Accountant, P.W. Branch.

REMARKS.—The work has been completed and completion report sent with the accounts for March 1913. Two data statements have been submitted with Superintending Engineer's No. 727-C.E., dated 10th May 1913. It is recommended that the occupation of the building rent free may be sanctioned.

Forwarded to the Superintending Engineer, VI Circle, for approval of entry in column 10 and transmission to the Examiner, Public Works Accounts.

V. HART,
Executive Engineer, Madura Division.

No. 4463/1692, *dated* 21*st May* 1913.

Forwarded to the Deputy Accountant-General for check and transmission to the Chief Engineer, Public Works Department.

S. B. MURRAY,
Superintending Engineer, VI Circle.

No. 426-*M.D.*/7774, *dated 2nd June* 1913.

Transmitted to the Chief Engineer, Public Works Department (Irrigation Branch), with the certificate of check.

2. The capital cost of the shed is not susceptible of check as it is only an estimated value. The expenditure of Rs. 188 for providing a bath room and kitchen shed has, however, been verified and found correct.

3. The provision of $\frac{1}{2}$ per cent. for special repairs requires the approval of the Chief Engineer, Public Works Department (Irrigation Branch).

4. The Superintending Engineer recommends that, in view of the trifling rent that can be charged and as a concession to the employees stationed at Periyār, the shed may be allowed to be occupied rent free. There is no audit objection to Government sanctioning remission of rent with reference to Public Works Code, paragraph 919, rule IV, as reconstructed by Standing Order No. 216, dated 19th October 1910. If the Superintending Engineer's proposal is accepted, sanction to the data statement showing the capital cost as Rs. 288 will alone be necessary.

K. S. KODANDARAMA AIYAR,
Offg. Chief Accountant.

II

Letter—from S. B. MURRAY, Esq., Superintending Engineer, VI Circle.
To—the Chief Engineer for Irrigation.
Dated—Trichinopoly, the 10th May 1913.
No.—727-C.E./1692.

Two data statements for rent for the shed occupied by the Store-keeper at Thekkadi are forwarded to the Chief Engineer, through the Deputy Accountant-General.

2. The shed is made of grass, and was constructed in 1909 when work in connection with the water-shed cutting was in progress. It was occupied by the Overseer in charge of the work up to July 1910, by a clerk up to January 1911, by the Temporary Sub-Division second clerk up to July 1911 in company with the Store-keeper and finally by the Store-keeper from July 1911.

3. The shed is valued at Rs. 28. In 1911–12, when certain repairs were carried out, some corrugated iron sheets obtained for the Periyār shop at Periyār, and lying surplus, were put on to the roof. The value of the building, with the addition of these sheets, has been taken at Rs. 100. Two data statements are submitted for sanction, but in view of the trifling rent that can be charged and as a concession to the employees stationed at the Periyār, I recommend that the occupation of the building rent free may be sanctioned.

4. With regard to the delay in submitting the application, the Executive Engineer explains that the existence of the shed was not known to his office until the repair estimate sanctioned in 1911–12 was received, and that the matter was subsequently under correspondence with the Sub-Divisional Officer. There was a delay of over a year over such an unimportant matter, and the explanation cannot be considered as satisfactory.

NOTES CONNECTED WITH G.O. No. 362 I., DATED 23RD JUNE 1913.

[SUBJECT.—*Data statement for the shed occupied by the storekeeper at Thakkadi, Periyār-Madura division.*]

From the Superintending Engineer, VI Circle, dated 21*st May* 1913, *No.* 4463/1692.

From the Chief Accountant, Public Works Branch, dated 2*nd June* 1913, *No.* 426-*M.D.* 7774.

Under Secretary—

Please see paragraph 4 of the endorsement by the Chief Accountant on page 3 of the Government Order. In consideration of the locality, viz., Periyār tracts, and of the trifling rent that can be charged, the shed may be allowed to be occupied rent free.

2. The storekeeper requests that the amount of Rs. 15 already recovered from him as rent for the shed may be refunded to him. It is for orders if the said sum may be remitted. The local Government is competent to sanction the remission under paragraph 919, Rule IV, of the Public Works Department Code.

3. The data statement showing the capital cost of Rs. 288 may be sanctioned and the shed may be declared rent free from the date of construction.

M.S.V.—9-6-13.

Joint Secretary—

Sub-overseers in the Periyār tract are allowed to occupy more costly buildings, than that the clerk is in, rent free, and the same concession might be given in this case and the rent already paid by the clerk refunded.

This is close to Madura and not in the hills as is the shed in question.

F. E. MORGAN—12-6-13.

I agree that no rent should be charged for this shed and that the amount already paid should be refunded.

H. E. CLERK—12-6-13.

Under Secretary—
Joint Secretary—

A draft "Endorsement by the Chief Engineer for Irrigation" together with a draft order thereon is submitted.

2. It is for consideration whether the draft order should be sent to Financial for acceptance with reference to rule 8 (VI) (*c*) (i) of Memorandum No. 6769, Public, dated 9th December 1912. G.Os. Nos. 7 I., dated 4th January 1913, and 109 I., dated 12th February 1913, dealing with similar cases do not appear to have been sent for the acceptance of Financial. (The Financial department is not entered in the communications at the foot of the Government Orders.)

A.V.S.—13-6-13.

The Government Orders quoted above apply to sub-overseers. This applies to a clerk. The order should go to Financial.

FINANCIAL DEPARTMENT.

The draft order may, it is submitt[ed], be accepted. It is respectfully submitted that the previous * Government Orders sanctioning rent-free occupation of quarters should have been sent to Financial for acceptance as they involved the grant of a special pecuniary concession outside the ordinary rule.
